FROM THE CHALON CAMPUS

Hi! I'd like to introduce myself. My name is Mary Anne Sterling and I'm the Social Chairman at the Chalon Campus. I am pursuing better relations and communication through our campuses. You are invited to visit your associated campus any time. If you'd like to come up, our student body office is open everyday from 8:00 a.m. to 4:00 p.m. All our activities, as you know, are open to each of you and we'll do our best to keep you informed about what is happening on the Chalon Campus.

There will be an ALL College picnic on October 11--you'll be hearing more about this later, a spaghetti dinner on October 12, a square dance on October 13, a hayride on October 21, and a movie on October 26 in the evening. This is an open welcome and a sincere motivation on my part to let you get acquainted and involved with the "Mount" as a whole. Thanks. Mary Anne Sterling

WHO'S LIL (Learning is Living) CONTEST

Congratulations to Sandy Matlock and Mary Pat Thompson, freshmen, who correctly guessed Sister Marianne Johnson as last week's LIL. Stop by and ask Sister about her summer travels.

This week's LIL, impressed by a missionary from India, has a strong desire to become a good nurse so she can spend some years helping the needy of that country. In her spare time she enjoys being of service to the elderly in her neighborhood. LIL was a nominee for the 1972 Vision Awards sponsored by the Women's Division of the Los Angeles Area Chamber of Commerce. Her volunteer work with handicapped children brought her this recognition. Can you name LIL? If so, contact Dr. Petrik's office (Chalon Campus), 272-8791, extension 13 after 9:00 a.m. The first one to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess himself.

Winter and Spring Schedule of Classes--Since the time is approaching to consider possible revisions of the winter and spring Schedule of Classes, I have asked Sister Joseph Adele to continue working with the scheduling as she did last year. You can, therefore, expect to receive periodic communications from her, regarding this matter.

Eugene V. Petrik

Sometime during the next two weeks, all A.A. students will receive a form asking for information needed to provide for any necessary changes in the winter and spring class schedules. Please complete and return them to Janet in Building #7.

Health Room Facilities--A health room has been established in Building #7 (second floor) as a place where students who are feeling ill may lie down. Questions concerning the health services may be sent to Mrs. Bette Eby, Director of Health Services. Mrs. Eby's office is on the Chalon Campus.

Congratulations--Janet Schlichte was elected President of the Doheny Resident Students and to Marilyn Fullen, who was elected Social Chairman in the Dorm.

Michelle Marshall and Sharon Rose were elected Sophomore Senators; Charleen Bousqueto, Claudia Coyne, Beth Lowry, Nanette Salamunovich and Mary Pat Thompson were elected Freshmen Senators.

Campus Communication--The Associated Students' officers are attempting to gain "communication skills" also. They want everyone to know everything going on on Campus. The best means of doing this is by posting events in a central location to which everyone can come. Therefore, we will inform you of calendar events by using THE GLASS ENCLOSED BULLETIN BOARD OUTSIDE OF CARONDELET CENTER. News items of Campus importance, individual messages, notifications of a change in plans, etc., will be on the "Now News" BULLETIN BOARD TO THE LEFT IN CARONDELET CENTER. Make it a daily routine to check these boards, as they are the official notification means of the Doheny Campus, and no notices will be written or posted elsewhere.

Your *Doheny Happenings* is the other pertinent media of communication. Read all of it each Monday morning, and be fully informed!

FROM THE CHALON CAMPUS

Just a short hello from the Chalon Campus. Don't forget the All College Picnic this Wednesday and the Spaghetti Dinner (on your campus) this Thursday and a hoppin' square dance (on the Chalon Campus) on Friday night at 8:00 p.m. for only 75¢. At this point I hope all of you are somewhat adjusted and that things are going a little more smoothly. Take care! *Mary Anne Sterling*

NEW FACES ON CAMPUS

Another WELCOME is in order. This time to the five graduate students from UCLA, who are involved in the Communication Skills Program. Working with Mr. Arnold Davis and his class is Miss Marilyn Bliss. Collaborating with Sister Joseph Adele are Mrs. Eleanor McCord, Miss Sharon McMurray, and Mr. Daniel Hoffert in the morning class and Miss Faye Low in the afternoon class.

This arrangement between UCLA's English Department and Doheny's A.A. Program is providing for a double need--that of fulfilling partial requirements for a course leading to a Master's degree and to teaching on a junior college level as well as having teaching assistants for the small group sessions of the Communication Skills courses.

#### WHO'S LIL (Learning is Living) CONTEST

Congratulations to Joy Goodman, freshman, for correctly guessing our LIL for last week, Gertrude 'Doris' Banks. Doris says she never has time to wonder what to do. She thinks it is great to be a member of a large family (15 children). She relaxes by drawing and just observing the antics of her two-year-old brother.

"It's worth coming this far to experience the peaceful atmosphere of the campus, the friendliness of students and the concern of teachers," says this week's LIL after an hour-and-a-half drive every morning to Doheny.

The second oldest of twelve children, LIL thinks that the experience she has had with younger brothers and sisters but particularly her CCD work with teenagers in her parish is partially responsible for the ambition she has to be a nurse who works with teenagers. She is a firm believer that there is great need for preventative care and health instruction among youth. Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus), 272-8791, extension 13, after 9:00 a.m.

## WHO'S LIL (Living is Learning) CONTEST

No one was able to guess our LIL for last week. She was Acela Arellano. Acela is especially grateful to her parents who have taught her great faith in the providence of God. She believes that the spiritual values instilled by them has brought great happiness to her. Besides reading, Acela lists her favorite pastimes: trips to the beach and camping in the mountains and on the desert.

Involvement! This week's LIL's experience with the Evelle Younger District Attorney's Youth Council was one the factors which merited for her the Four Year Service Award granted by her high school.

Participation in this council taught LIL how to interest her fellow students, parents and neighbors in a more constructive attitude toward civic officials, law enforcement officers and effective programs available for schools and local communities. LIL also continued her concern in a model cities follow-up schedule last summer

"It was a privilege to accompany Mr. Geissinger, Mount St. Mary's Director of Admissions, in his recruitment to my Alma Mater recently. I realized more than ever that I missed my former teachers and classmates and they missed me. The best solution, I think, is to bring more of them to Doheny." Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus), 272-8791, extension 13, after 9:00 a.m. The first one to give the correct answer wins a prize. Sorry, only ONE WINNER allowed.

#### FIELD TRIP BY BUSINESS CLASS

Mr. Richard Racimora, Assistant Manager of the Hong Kong Bank of California, hosted the Introduction to American Business class last week. Accompanying the instructor, Mrs. Olivier, were her students Ruby Acon-Sanchez, Zenobia Buckner, Rita Cheng, Pantong Kitibur, Gloria Majors and as special guest, Sister Catherine Therese.

Mr. Racimora explained to the group the many services which the bank provides through its numerous facilities.

The next field trip will be a visit to the Pacific Coast Stock Exchange.

#### INTRODUCING MRS. DORRELL

Many students in our A.A. Program may already have met Mrs. Claire Dorrell, a graduate student in counseling at Mount St. Mary's College. She brings to her internship as a counselor in our A.A. Program at Doheny much teaching experience as well as the very latest methods and resources available to college counselors. She is very interested in people, and will do her best to assist each student who desires her help, particularly those who wish to discover more in career exploration or further education.

"In planning my career or vocation, I remember quite well how often I was puzzled, had to make a decision; was uncertain and anxious and sometimes, just plain curious. At those times and even now, I've come to realize that in order for me to be less puzzled, less anxious and more certain, I had to clarify the question. That was half the battle!

It is my sincerest desire to "listen" and "hear" what you are saying and then try to assist you in any and all the ways I am able to.

Perhaps you, like me, need to clarify the question. You may want a fresh look at some alternatives available to you. You may not have any questions but simply want a sounding board--whatever the case, you can find me in Building #7, upstairs in room #9 all day on Thursdays.

Some of you have already expressed a need for information about surveys or inventories available to you, as one means of "self-improvement"--"self-awareness." In answer to this request, I have formulated some questions and answers which, I hope, will clearly explain how and why these surveys are used and most important, how they can be of help to you. If you have any further questions regarding these inventories or if you would like to take one, you know where to find me!

I very much look forward to meeting you and working with you.

Sincerely,

Mrs. Claire Dorrell"

ANOTHER STEP TOWARD BECOMING!!

FORGETTING ABOUT MONEY, WHAT WOULD YOU LIKE TO DO MORE THAN ANYTHING ELSE? WHAT PHYSICAL AND HUMAN ENVIRONMENTS DO YOU FIND MOST COMFORTABLE? WHAT'S THE MOST SATISFYING EXPERIENCE YOU'VE BEEN INVOLVED IN? WHAT SKILLS AND ABILITIES DO YOU HAVE? WHAT DO YOU NEED TO LEARN AND WHAT CAN YOU DO TO LEARN THOSE THINGS?

REALLY, WHAT WOULD YOU LIKE TO DO?

Are you concerned with some aspect of a career choice or perhaps wondering how your study habits and attitudes affect your present commitments or future plans?

Inventories and/or surveys of your interests, study habits and attitudes could prove most helpful.

What do these inventories or surveys do?

These instruments obtain information about you by having you describe certain of your own characteristics. Usually you are asked to give your response to such items as occupational titles, occupational activities, school subjects, hobbies and amusements, etc.

What are the advantages of this type of tool?

There are several advantages over your own introspection or a direct interview, in that they are most systematic and thorough, indirect forms of questioning may be employed, and your responses can be compared with those of occupational reference groups or persons in different academic majors.

Will one of these surveys or inventories make a decision for me?

The answer to that question is NO! However, their usefulness lies in opening areas for consideration that you may not have thought of previously; in pointing away from some areas that you maybe thinking about, or in confirming to some degree, your present plans.

## WHO'S LIL (Learning is Living) CONTEST

Congratulations to Laura Hernandez who correctly guessed last week's LIL, Connie Garcia. Connie is from Sacred Heart High School and was impressed with Mr. Geissinger's statement last year: "There is a college for every student." She investigated the possibilities and fell in love with the Doheny Campus. "That's why I'm here to learn as much as I can in the pre-school and early elementary teaching program. My plans are to continue in child development and finally to become a counselor in an elementary school."

Clerical work at the chart desk in a psychiatric clinic exacts great patience and understanding of Connie. Singing with "Los Amigos de Cristo" at Our Lady of Guadalupe, Rosehill, brings happiness and relaxation to her at the end of a busy week. "Although our name is Spanish, we do all our singing in English," she smilingly explains.

Her hope is to serve! Our LIL for this week is interested in learning all she can that will aid her in her goal to work for World Peace and Justice. Her ambition is to return to her homeland as a medical technologist. She is enthusiastic about the eight months she has spent in the United States. With the aid of her trusty dictionary and her determination to master English she finds it rewarding to talk to students from varied backgrounds. She remarks: "Girls in my country are shy in their own way, but we have a very kind and warm family relationship. American girls have much more freedom. It is interesting to note the differences." Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus), 272-8791, extension 13, after 9:00 a.m.

### FROM THE PAST

Aline Smith, 1972 Doheny graduate, reports that OUTREACH is still a rewarding factor in her life. She is repeating her experience of last year by tutoring another high school boy at Mount Carmel--and not for credit. She wishes to be remembered to all at Doheny.

\$\$\$\$\$

### OPEN HOUSE

The annual winter Open House will be held on Sunday, December 3, 1972 from 12:00 noon to 4:00 p.m. This year, in addition to inviting prospective students and their parents, we're also extending an invitation to all of our graduates.

We anticipate a tremendous turnout and that's where you come in--we need help! It's not too early to begin planning the program or the departmental presentations. AND it's not too early to volunteer as a hostess, a tour guide, etc. Contact Sister Francis Clare and let her know that you're interested in working to make the program a success!

### UP-COMING ACTIVITY

Have you heard what is happening on October 30 in the basement of the Residence Hall? It's the Halloween Dance; one of Doheny's biggest and spookiest social events of the year! It will be held from 8:30 p.m. to 12:30 a.m. Refreshments will be served, and "SHINE-OLA" will provide the music.

continued on page 3

If tickets are purchased in advance, the cost is only \$1. If you pay at the door the cost is: \$1.25 stag and \$2 drag.

WEAR A COSTUME SO NO ONE CAN TELL WHICH IS WITCH! You may even get into WHO'S WHO! But without a costume you don't have a GHOST OF A CHANCE!

### HAPPINESS IS...

The 11:30 a.m. and 1:50 p.m. Communication Skills' Classes have been studying the use of abstract and concrete words. One experience they had was to define an abstract word in concrete terms. Here are some of the results, which you might like to think about and also enjoy:

"Peace is sitting alone, under a single apple tree, in a huge field." *Mary Barron*  
"Peace is my new house in America." *Marie Rezkova*

"Hope is an invalid's smile." *Doris Banks*  
"Hope is peeking into a mirror before the haircut is finished." *Martha Balderrama*

"Despair is an empty refrigerator." *Debora Levingston*  
"Despair is a flat tire on the freeway." *Vivian Wilson*  
"Despair is your hair not looking right no matter what you try to do to it." *Nancy Cooper*

"Joy is getting your tax returns." *Deanie Ruisbrook*  
"Joy is someone meeting you at the airport." *Anne Ruffner*

"Love is a cat cleaning her kitten." *Charleen Bousqueto*  
"Home is listening to my brother's accordion." *Rhonda Thompson*  
"Freedom is being able to eat a candy bar for breakfast." *Lynn Stewart*  
"Power is climbing up to the top of the mountain." *Rita Cheng*  
"Hate is answering the phone and finding out it is not for you." *Tsuyako Yuki*

## TWO-EDGED SWORD AWARD WINNER

"And the resident assistant lived happily ever after!" So ends the story of how Rene Potter found a lucky number on the back of her copy of *Doheny Happenings* and reported to the library along with: Sandra Berry, Gloria Majors, Sandie Matlock, Beth Momburg, and Sharon Rose. When the names were drawn on Tuesday, it was an award of \$1 that awaited Rene whose name was pulled out of the box, proving that it truly pays to read your "*Happenings*" every Monday a.m.

## WHO'S LIL (Living is Learning) CONTEST

Congratulations to Claudia Coyne for correctly guessing Forouzandeh (Ferri) Mohit as last week's LIL. From Persia, Ferri finds many things different in America, especially women's styles and attitudes. She thinks there are advantages in both countries. She also had to become accustomed to American food. She has discovered nothing here that can compare with Persian peaches, pears and big dark cherries.

Although Ferri works, she finds time to enjoy tennis and swimming. One of her ambitions before she returns to her home is to travel in England and Italy.

"To go a step further--I love it," sums up this week's LIL's evaluation and appreciation for Doheny's OUTREACH program. She finds seven hours a week at a children's hospital devoted to giving little children something to smile about both challenging and rewarding.

We discovered, also, that it takes a cedar chest to hold the blue ribbons she has earned with the Pickwick Speed Skating Team and the trophies from the Tally-Ho Riding Club; but LIL talks only about her ambition to become a nurse. Since the age of eight this has been her real goal, when her father introduced her at St. Vincent's Hospital as a prospective nurse. Can you name LIL? If so, contact Linda, Dr. Petrik's office (Chalon Campus), 272-8791, extension 13, after 9:00 a.m. The first one to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess himself.

### FROM THE CHALON CAMPUS

Believe it or not, I have nothing to say this week, except I hope some of you enjoyed the Founder's Day activities and were able to join us for 'The Week of the Lord'. See you next week. *Mary Anne*

### A WORD TO THE WISE

"The learning process fundamentally depends on you, but you are not alone in the doing. Your success is important to the College because you are important." Brochure, Doheny Campus, Associate Degree Program.

Now that mid-term has arrived, and you have had a chance to assess your academic achievement here at Doheny, I strongly advise you to contact your instructors and your academic advisors to discuss methods of improving your grades in your courses, if you know that you need to do so. Now is the time to take action in this matter. For this reason we are publishing office hours for instructors and advisors. If you have any questions regarding appointments, please be sure to contact Janet in Building #7. *Sister Margaret Anne*, Director of Counseling.

ART DEPARTMENT QUESTIONNAIRE

One of the major goals of the art program here on the Doheny campus is to respond to the individual needs of and relevancy to the student.

To this end the art department seeks to build its foundation on the ability of the program to meet not only the creative needs of the art majors but also those of the student body as a whole.

Your conscientious attention to this questionnaire will help us realize where your needs are and to program and expand accordingly.

## ANNOUNCEMENTS

Thursday Masses--The Mass for All Souls was well attended. We will be having regularly scheduled Masses every Thursday at 8:20 a.m. in Building #8. All are welcome.

An Open Letter to Women--Have you seen the "Open Letter to Woman" on the bulletin board in Building #4 beside Carondelet Center?

"I think it is a very timely and appropriate reminder today when the rights of women are so much in the limelight. Its script penmanship written on an almost burnt parchment emphasizes the content, which surely gives me food for thought."

Many thanks to the nursing students who put it up. *Refina Quan*

Appointment Time--There is a sheet located outside Mrs. Claire Dorrell's office, Room #9, Building #7. If you want an appointment with her, please sign it. Mrs. Dorrell is available every Thursday.

## WHO'S LIL (Living is Learning) CONTEST

No one guessed our LIL for last week, Brenda Ross. Brenda attributes her present hobbies to a great teacher, her father. It is he who taught her to ride. Now she teaches riding to children from ages four to 14 only if they want to learn. When she was 12 years old she appeared as a cavalry officer's daughter in the "Hallelujah Trail," and later in television commercials. However, she has no desire other than to become an efficient and concerned nurse.

"Anything that will prepare me to become involved in helping people is attractive to me," reflects this week's LIL. Especially happy that she has been admitted to the Deltas, she thinks that the many opportunities this organization provides for service at Doheny will be rewarding.

Last summer, LIL not only visited the campus, but encouraged her counselor and 15 members from the Upward Bound Program at Claremont College to come along with her. Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus), 272-8791, extension 13, after 9:00 a.m.

## WHO'S LIL (Living is Learning) CONTEST

No one guessed our LIL for last week, Velva Langstreet. Velva spent one year in a Catholic school in Roswell, New Mexico. Since then she has always hoped to have the opportunity repeated. Singing is Velva's favorite pastime. She is anxious to become involved in the OUTREACH program next term, and she believes her experience with many younger sisters and brothers has given her a good background for this project.

Convinced that one needs English everywhere, this week's LIL earned a scholarship to the American Community School in her own country for one year before she came to California where she graduated from high school in three years.

Math is LIL's favorite subject, but her eyes light up when she speaks about music. At present, she contents herself with listening to all types of music, but is looking forward to the day when she can study music again.

What does she find most rewarding at Doheny? "The better chance to talk to teachers even though I don't use it as much as I should, and my group advisor who talks openly and kindly to students." Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus), 272-8791, extension 13. The first one to give the correct answer wins a prize.

## WHO'S LIL (Living is Learning) CONTEST

Congratulations to Carmen Lopez who correctly guessed our LIL for last week, Zergibatchew Terefe. Zergibatchew left three sisters and brothers in Ethiopia. She wants to prepare for a profession that will equip her to be helpful to the people of her homeland, therefore, she is exploring different fields at present. High on her list of interest is pharmacy. Last summer she operated a computerized cash register, but knows that she would not be content in that type of work.

At the age of eleven, LIL for this week first learned about Doheny. Last fall with her mother, a graduate from the Mount, she visited the campus and since then has been interested in all that goes on here, especially in the Pre-school and Fine Art and Graphic Communication classes. She attributes her concern for these two fields to have been increased by her involvement in volunteer service at a primary school near her high school. "It was fun to work with little people, to help them plan and to create attractive bulletin boards. Now, after a term of directed study, I have many more ideas to bring happiness and a love of beauty to an OUTREACH project." She is quick to add "Sports won't be forgotten." Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus), 272-8791, extension 13. The first one to give the correct answer wins a prize.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Mary Pat Thompson for correctly guessing Anne Ruffner as last week's LIL. This is Mary Pat's second win! Anne is outgoing and has a happy smile for everyone. She has always been interested in Art and is most enthusiastic about her classes here and the added dimension that Mr. Murray is able to impart to his students because of his experience in the Peace Corps. She played on the volleyball varsity team at Corvallis and is also skilled in tennis. Recently she had the opportunity to enjoy the change of seasons in Indiana--occasion--Notre Dame University football game!

"Mount graduates are everywhere," asserts this week's LIL. "In my country, two enthusiastic and loyal 'Mounties' talked so much about their Alma Mater that I decided to apply. Education at home was very formal and strict; more relaxed in Canada where I studied for one year; just right at Doheny because of the relaxed atmosphere, the opportunity to know teachers whose friendly concern for each individual makes learning an enjoyable experience. Students from many lands mingle and exchange ideas and customs that broaden one's outlook.

Now I have the good fortune to be active in the OUTREACH program. My supervisor at the Exceptional Children's Foundation is a Mount graduate. I hope to continue my work there next term. The more experience in directing games, arranging field trips, training the children to do some gainful work, understanding their needs, and trying to make them happy will give me a head start in the profession I plan to follow in my own country." Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus), 272-8791, extension 13. The first one with the correct answer wins a prize.

The meaning of signs and symbols: gestures, music, words, events.

VALUE AWARENESS IN SCHOOL AND SOCIETY--The myth of neutrality in values. The pervasive presence of implicit presuppositions in the arts, in literature, drama, television, films; in social sciences; in natural sciences; in newspapers, magazines, public opinion. The need for self clarification of values. Do teachers teach their professed values? The difficulty of "teaching" values. Cognitive and affective resonance of communication.

CRITIQUE OF CONTEMPORARY WESTERN VALUES BY CLIVES STAPLES LEWIS--The relevance of Christianity to the contemporary scene as found in significant selections of the author's works.

ATTENTION STUDENTS AND ACADEMIC ADVISORS

Students should confirm their Winter Term Schedule with their academic advisor by Monday, December 4. A record of any change should be given to Janet. In preparation for registration and some changes in the Winter Term Schedule, I would like to bring the following information to your attention:

1. The FUNDAMENTALS OF BIOLOGY will be offered in the Spring rather than the Winter term. This course is not a pre-requisite for microbiology or for nursing.
2. The PHYSICAL SCIENCE FOR HEALTH MAJORS is open to non-nursing students. However, if a student takes this course to fulfill the B.A. general education physical science requirement, she must take the course both in the Winter and Spring terms for 2 units each.
3. A SPECIAL EXPERIENCE IN COMMUNICATION SKILLS LAB has been added for those students who may want to continue work in their individual interests from the Fall term and receive credit. Likewise, any student in the A.A. program may take this course to improve her skills.
4. The CLOTHING DESIGN AND SELECTION has been cancelled because of insufficient enrollment. Students who pre-registered for this class are encouraged to take the Design I class from Mr. Murray.
5. Be sure to check days and times carefully because several classes have been scheduled on alternate days at the same times. This arrangement should increase the availability of courses.

## WHO'S LIL (Living is Learning) CONTEST

Congratulations to Rita Cheng for correctly guessing Rebecca Leung as last week's LIL. Rebecca is from Rosaryhill School in Hong Kong and plans to earn a degree in Sociology before she returns to her homeland. She enjoys traveling and hopes to visit many places in the southwest. She is fascinated by American TV programs. Her favorites are "Hogan's Heroes," "Mission Impossible," but she thinks "Banachek" is the best because she recognized Doheny in the background.

This is the last *Doheny Happenings* until after the holidays. The dinner honoring the LIL's and their winners will be held on January 10, 1973.

WHO'S LIL (Living is Learning) CONTEST

LIL believes that "music hath charms." It was her pleasant experience in classes held at Doheny on Saturdays that created her interest in enrolling as a full-time student in the Fall. Music still heads the list of LIL's favorite subjects, but she is enthusiastic about the option to explore other approaches to knowledge. She especially values the confidence and assurance she gained from the Communication Skills Lab and class. Happy about being back in school and hoping to participate more in social action and sport activities this term, LIL gives you the clue that you may see her often on the tennis court. Can you name LIL? If so, contact Linda, Dr. Petrik's office, 272-8791, extension 13. The first one to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself.

WHO'S LIL (Living is Learning) CONTEST

No one was able to guess our LIL for last week, Cheryl Green. Cheryl, a graduate of Notre Dame Academy has studied piano for eleven years before coming to Doheny. Among her many interests she mentions literature, psychology, and sports. She was on the varsity basketball team in high school, and attributes her skill in tennis to an exceptional teacher, her father.

Cheryl considers her greatest satisfaction the fact that she has earned her tuition by working during vacations.

LIL for this week thinks that interest in investigating many aspects of "Living is Learning" has helped her to be of service to a group of foreign students. Always mindful of new ways to challenge their interest and to help them in the mastery of English she is kept observant and alert. Although her studies and service to others occupy most of her time, LIL manages to enjoy her favorite pastime, cooking. You would relish the result of her successful experiments in baking. Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus) at 272-8791, extension 13. The first one to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself.

All materials for the <i>Doheny Happenings</i> should be submitted to Dr. Petrik's office (Chalon Campus). Deadline is Wednesday, preceding date of issue. Dateline is every Monday. Please call or write Linda at 272-8791, extension 13.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Ruth Smith for correctly guessing Kathleen Kennedy as our LIL for last week. Kathleen says that one of the associations that she enjoys talking about is her contact with the Sisters of St. Joseph from Kindergarten through 14. Working with foreign students is a challenge that offers her rewarding experiences, and her service in the Placement Office has provided profitable insights about employers and employees. But life is not all work and no play for LIL. She seeks relaxation in gardening, swimming, and skiing.

A certificate awarded at her eighth grade graduation was the incentive that led LIL for this week to consider Art as a field to explore in high school. This continued interest, encouraged by a teacher who graduated from Mount St. Mary's College, brought her to inquire about enrolling in the Fine Art and Graphic Communication program at Doheny.

Last spring, LIL was a member of a dance and song concert tour that performed at four California schools. One week-end the group stayed at Chaminade in the Valley. "That, I liked!" she says. Can you name LIL? If so, contact Linda in Dr. Petrik's office (Chalon Campus) at 272-8791, extension 13. The first one to give the correct answer wins a prize.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Jane Neumann for correctly guessing last week's LIL, Lou-Ann Ho. Lou-Ann comes from Honolulu. Eventually, she would like to become an interior decorator. Her extracurricular interests in high school were many: guitar since seventh grade, C.C.D. work both at St. Theresa's in Honolulu and St. Joseph's in Waipahu, Polynesian dances always. Theology during the Fall term at Doheny was LIL's favorite class; collecting and studying photographs, keeping up a busy correspondence with friends at home her favorite hobbies.

The summer before coming to Doheny this week's LIL engaged in a variety of informative projects. She helped at a nursery school during the mornings where she taught singing and social behavior to tots ranging from three to six years of age. In the afternoons she served as a tour guide at the Museum of Science and Industry. There she met many visitors who fascinated her by their surprise and reactions to the exhibits. "It was a learning experience for me too," she expressed. But LIL thinks she is happiest when she plays the organ at church services or for gatherings at the City of Hope. Can you name LIL? If so, contact Dr. Petrik's Office (Chalon Campus) at 272-8791, extension 13. Ask for Linda. The first one to give the correct answer wins a prize.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Cheryl Green for correctly guessing last week's LIL, Zenobia Buckner. Zenobia, who came from Korea, did not learn English until she was fourteen years old. She makes all her own clothes, enjoys sports, especially tennis, however, her great love is music. She sings, plays the piano and organ. She was the accompanist for her high school glee club which received top honors for their Christmas Cantata. When you hear sounds of music coming from Carondelet Center you know that Zenobia is there.

This week's LIL believes that the diversified experiences of traveling and studying in seven states and two foreign countries has[✓] been rewarding. She was charmed by the beauty and peace of the English countryside; in Germany she learned to appreciate the quaint villages and the culture of the people. Tenth grade in Bonn, however, was the most exciting year of all. LIL was class representative, cheerleader, member of the bowling league, and elected queen of the school. She found no time to experience the "Sophomore Slump" that her friends talk about.

Last summer LIL did volunteer work with mentally retarded children. She is hopeful that OUTREACH this term will provide her with a similar experience. Her goal is a major in special education. Can you name LIL? If so, contact Linda, 272-8791, extension 13. The first one to give the correct answer wins a prize.

FROM THE IMAGINATION CORNER...

A meditative essay by *Beth Momburg*

Loneliness

Have you ever seen loneliness? Walk through a deserted cemetery on a gray, damp morning. Observe loneliness in the nakedness of an empty room or a deserted sea shell. If you have ever witnessed any of these, then you have seen loneliness.

Have you ever heard loneliness? It creeps through pandemonium like a baby's cry screeches through the silence of a winter night. Listen carefully and you can hear the sound of loneliness in the voice of an aged person, whose voice has a hollow sound, an echo. Listen for loneliness. Listen for it in a friend's masked words--in the words he is not saying.

Now that you have seen and heard loneliness, reach out and touch it. Run your hand over a cold, hard slab of marble. Feel the flat emptiness of this distinct emotion. Feel on your face the cold dampness of that morning in the deserted cemetery.

Yes, you must look in order to see, listen in order to hear, and feel in order to touch loneliness. But, you must fill the empty room, unmask the spoken words, and soften and warm the cold, hard marble. Then, you can turn much loneliness into openness and mere existence into life.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Jane Neumann for correctly guessing Cathy Montgomery as last week's LIL. Cathy is enjoying many things at Doheny, especially the homey atmosphere, the warmth and concern of the teachers. She finds the Communication Skills class most challenging and the lab a needed support.

She sums up her evaluation: "Student participation in classes keeps one alert. There is no time for doodling or day-dreaming. Group Experience is a great exercise in observing and appreciating the fine qualities and gifts of others."

OUTREACH takes this week's LIL to Orthopaedic Hospital four hours a week. She reads stories to the very tiny tots, plays games with them, and teaches macrame to an older group. Even the supervisors on the floor look forward to the joy and happiness that her cheerful personality brings.

LIL is a licensed medical assistant. On Saturdays and Sundays she gives her services at an intercommunity hospital. As you, no doubt, have guessed, LIL's ambition is to become an R.N. and to return to England where she spent eight very happy years. Can you name LIL? If so, contact Linda, 272-8791, extension 13. FROM THE IMAGINATION CORNER...

Another meditative essay.

Solitude

In the cool refreshing morning, when the body is slowly waking up, there is delight through every inch of my pores. I go and take part with nature all by herself. (She's really beautiful!) As I walk along the once-mining rail tracks, now splintered into shreds, I feel great contentment inside my skin.

There are many things that attract me that are special in the morning. First, looking up I take note of the early risers that fly over the blue-stained sky. Then ground the tallest fir trees I can see, I notice the faintest movement of white butterflies, just one or two, here and there. Now there are dozens. Lastly, I am captured by the serenity of the light wind rustling all the fir tops and now gently rolling down to stir the straw hat off my head. Within this tranquility, the wildest animals do not impose on me, nor do I impose on them. They just roam the fields and woods without fear, and I just walk on.

continued on next page

To be alone and like it is wholesome and enchanting. Yes, wearisome travels to crowded towns I never find relaxing or enjoyable. In the town there are people who are in such a hurry and take everybody for granted. They stay in their own worlds and never come out. It is sad but it does happen when people communicate but do not mean what they say.

After the long tiresome day in the town, I look forward to my walks in the returning cool of the delicious evening. The fragrant aroma of honeysuckle bursting out raptures me into pleasant thoughts. Once in awhile I pass a bush of wild anise and am tempted either to snatch off a small bunch or to go by quickly. As I get near the pond, I hear the bull frog calling and inviting me down to chat with him about my westward ways. He listens for while and then swims away to join others in a barbershop quartet.

Lying on my back with the man of the moon staring down at me, I am alone once again. Only the whispers of gossip among the trees, the animals, and flowers bring me to say, "It feels great to be wise in the green forest of solitude!"

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Claudia Coyne for correctly guessing last week's LIL, Bernadette Schlack. Bernadette is the gracious president of the Delta Theta Chi service organization on the Doheny Campus.

Olympics in 1976 as a swimmer, or certainly as a spectator, is her foremost desire. An accomplished swimmer, she believes in interesting very young children in the sport. She conducts a volunteer class in swimming and diving for small boys.

Not all of her time is devoted to sports. She loves to read, an interest developed at an early age; appreciates the challenges offered in the Logic and Theology classes.

This week's LIL tutors six hours a week at a home for girls who are victims of child abuse and neglect. There she works closely under the guidance of a Director. Much of her time is spent engaging the girls in conversation. "It helps them to talk things out," she says. In addition to tutoring she is responsible for taking some of the girls shopping once a week. She is amazed at their wants. Every week their first request is to visit a shoe store.

Ballet and music were LIL's most enjoyable experiences in high school. In her senior year she was soloist in the glee club concert. Can you name LIL? If so, contact Linda at 272-8791, extension 13. The first one to give the correct answer wins a prize.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Sandra Berry for correctly guessing last week's LIL, Marilyn Fullen. Marilyn is anxious to enter the television medium and eventually to study film production. At present, she is interested in building up a strong liberal arts background. She finds the imaginative writing class challenging and revealing. Summer plans include a trip to Hawaii, so she is intent on improving her swimming skills.

Because of her interest in nursing, this week's LIL was anxious to volunteer her help at the Red Cross Blood Bank. There she learned many techniques under the Head Nurse. She also found it extremely interesting to observe the donor's reactions.

LIL came to the United States three years ago. From the very beginning she loved everything about the English language: sounds, words, grammar and now literature. Weaving, cooking, and tennis offer LIL a means of relaxation after a busy day of studies. Can you name LIL? If so, contact Linda at 272-8791, extension 13. The first one to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person alluded to in this column. A person may not guess herself.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Joy Goodman for correctly guessing last week's LIL, Zaira Gombo. Zaira's homeland is Costa Rica. While in Los Angeles, Zaira has made many friends at the University Hospital where she works as a ward clerk and in the pediatric unit. Her summer plans include a visit to other Central American countries and a few weeks at home.

Two third grade students eagerly look forward to a visit from this week's LIL, their OUTREACH tutor. She makes reading and math much easier for them, and time spent with her goes only too quickly. Her supervisor finds LIL responsible, bubbling with enthusiasm and initiative. Through her efforts, two little boys feel good and admit that now they like school.

LIL also finds time to assist the Foundation for the Junior Blind. She plays, sings, and dances with the young people there. Can you name LIL? If so, contact Linda at 272-8791, extension 13. The first one to give the correct answer wins a prize.

This is the last WHO'S LIL CONTEST until next term. This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person alluded to in this column. A person may not guess herself.

WHO'S LIL (Livings is Learning) CONTEST

No one was able to guess our LIL for last week, Michelle Miller. Michelle has always had many interests: swimming, basketball, football, music, and creative cooking. She won two ballet scholarships in high school. Her greatest enjoyment she finds in interpretative dancing.

Michele hopes to major in special education so that she may assist her father in a center for exceptional children.

The dinner honoring this term's LIL's, their advisors, and the winners will be held next term. More information will be published next term.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person alluded to in this column. A person may not guess herself.

### INTERTERM, 1974--PROCEDURES FOR COMMUNICATION

Plans for the 1974 Interterm are nearing completion and a procedure for communicating them has taken shape. An all college academic convocation is scheduled for Monday, April 2 (first Monday of 3rd Term). This meeting will be conducted on the Chalon Campus with the request that all students and faculty attend. Faculty members are asked to dismiss their 10:20 and 11:30 a.m. classes on that day. Due to group size, two sessions will be conducted in the Little Theater:

10:00 a.m. Students with last names beginning with A-O on the Chalon Campus.

11:30 a.m. Students with last names beginning with P-Z on the Chalon Campus  
and all Doheny students.

If, for good reason, a student cannot attend the assigned time, she may come at the other scheduled time.

Two other events of communication are also scheduled at the Chalon Campus:

Monday, April 9, 1:00 p.m.--Departmental Meetings. Department chairman are asked to hold a meeting with students and faculty to discuss departmental offerings for this interterm, to give students a chance to ask questions, and to elicit student input for future interterms in their particular department.

Monday, April 16, Noon-1:15 p.m.--Interterm Fair. This is a "progressive lunch" setting in Brady Hall dining room where students can meet with individual faculty members who are offering courses. It is a time for specific questions about courses so that students can make decisions and choices.

Transportation from the Doheny Campus will be worked out through car pools. If you have a car and are willing to drive other students and faculty members to Chalon, please sign up on the sheets in Carondelet Center today.

Any questions about these events can be addressed to Anne Ruffner or Sister Dorothea Marie, your Interterm representatives.

FROM THE IMAGINATION CORNER...

A prose sketch by *Jessie Zuniga*

Yesterday's Tomorrow

He stands with his back slightly bent, his face beautified with the soft ripples of age.

The room is a sanctuary of noise. The hustle and bustle is overpowering. They are all speaking a language unknown to him. Still he stands in wonder. The line moves on...

Doheny Happenings

Page 2

Yesterday. He felt the good earth beneath his feet. He saw the fields displaying their straight rows forming intricate designs on the land. His days toiling on the land had been long. He had seen the first blush of sunshine goldenize the green lined mountains at daybreak and the last glimpse of the sun fitting its way into the darkness at night.

He had a closeness with nature. He knew the sensations of the dry burning sun scorching his back, the angry cold wind slapping at his face. The land has been his life, his only means of survival.

Today. He stands here now a brown man full of hopes and fears, angers and anxieties, but most of all with a great uncertainty of the future...

"Next." "Yes, Mr. Martinez, fill out this application." "I am sure we can get you a job somewhere."

WHO'S LIL (Living is Learning) CONTEST

Four hours a week at Orthopaedic Hospital helping little ones to play, and, best of all, to smile, goes only too quickly for this week's LIL. She finds that patience, learned while being a big sister to six younger brothers and sisters, a most valuable advantage in winning the confidence of the children.

LIL misses the outdoor activities offered in her northern home, but enjoys the companionship that dormitory life provides. Her classes are challenging and interesting, however, it is group experience that brightens up the whole day for her. Can you name LIL? If so, contact Linda at 272-8791, extension 13. The first one to give the correct answer wins a prize.

STUDENT-FACULTY MEETING

An alternative to student government was presented to approximately sixty (60) members of the student body and faculty by Dr. Eugene Petrik on March 30. The plan would call for the formation of a student-faculty committee which has funds allocated to it. Anyone (student, faculty member, or staff person) could request funds from this group for activities they may want to sponsor. To be considered, such a request would be accompanied by a brief statement of goals, methods, budget needed, commitment from people who would work on the event, and clearance of dates and use of facilities.

Some excellent questions were raised regarding the manner of handling the financing and the way in which students would become members of inter-college committees, etc.

An Ad Hoc committee was established having for its members five volunteers from the student body: Charlene Bousqueto, Beth Lowry, Beth Momberg, Barbara Platte, and Brenda Ross as well as the four Executive officers and Sister Rose Agnes. These committee members will study the initial proposal and any other proposals submitted to the group by any faculty/staff/or student member. After filtering ideas through this committee, the alternate proposals will be listed, and a final document will be submitted to the ASB for vote. It is hoped that this voting can take place early in May.

Any proposal will be accepted for study, but the committee urges that the written proposal be accompanied by at least ten signatures to strengthen its approval. Deadline for submission of proposals to any member of the committee is April 24, the day students return from the Easter holidays.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Mary Duffy for correctly guessing our LIL for last week, Mary Cummings. Mary loves her home in Carmel Valley and wants others to appreciate its beauty and to experience the outdoor sports of fishing, hunting, and riding which are her favorites. Resident students who have spent a weekend with her now realize why she is so anxious to share her happiness with them. Mary has many interests, but first on her list is nursing, seconded by a fascination to know more about architecture.

Did you observe a Doheny student performing acrobatics on the lawn to welcome the beginning of the Spring term? That was our LIL for this week. She and her twin sister won many dance prizes at 4-H Club Fairs. LIL also played the clarinet in her high school band. Now she looks forward to the hours she spends with the children at Orthopaedic Hospital. They beg her to tell them stories about her adventures when she was little, and they try harder when she helps them with their reading and writing. Can you name LIL? If so, contact Linda at 272-8791, extension 13. The first one to give the correct answer wins a prize.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Beth Lowry for correctly guessing LIL for last week, Joy Goodman. Last summer Joy toured Europe with the Foreign Study League. She appreciated the beauty and serenity of Austria especially because it reminded her of the farmlands and mountains near her home in Potter Valley. She is happy about the atmosphere at Doheny and thinks it is a great place to study. She also enjoys the opportunity to visit some of the southland's attractions: Olvera Street, Disneyland, Knott's Berry Farm, and the Music Center.

This week's LIL believes in "doing it now." A result of her foresight is a full-time job for the summer, beginning June 11. One of her happiest experiences in high school was being a member of the Glee Club that won high recognition in competition. She joins any group that enjoys singing. During her senior year, LIL merited an award for her exhibit in a science fair. She believes that her active membership in the Deltas offers an enriching experience to her as an individual as well as being a means of contributing service to Doheny. The nursing profession is LIL's goal. Can you name LIL? If so, contact Linda at 272-8791 extension 13. The first one to give the correct answer wins a prize.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person alluded to in this column. A person may not guess herself.

COMMITTEE REPORT

The Committee for the Consideration of Alternatives to Student Government met for the third time last Tuesday. It is at present working on the body of the proposal submitted by Dr. Petrik.

Elected to the position of chairman is Beth Momberg. The recording secretary is Beth Lowry.

The ten member committee agreed that three basic purposes are to be fulfilled by this committee:

1. to act as recipients for the acceptance and consideration of all proposals submitted
2. to be informative and available to anyone wishing to discuss alternative plans
3. to take action within one month of its first meeting in regard to any submitted proposals by first presenting them to the students and faculty at a general assembly, and by subsequently putting the proposals to general vote of the student body.

To facilitate the presentation of a proposal, and to inform everyone of the workings of the committee, a bulletin board will be used near the entrance to Building #4.

Meetings of the committee will be held each Thursday, May 10 inclusive. On Friday, May 11, a general assembly will be held. It is then hoped that May 15 can be the date for the voting.

Once again, the committee urges anyone who has an alternative proposal in mind to write it up, get ten signatures to support it, and present it to the committee before the deadline of May 3. Any committee member will be happy to assist a person interested with the formation of the proposal if she so wishes.

WHO'S LIL (Living is Learning) CONTEST

Congratulations to Virginia Tauro for correctly guessing last week's LIL, Beth Momberg. Beth is enthusiastic about living in the residence hall. She appreciates studying and exchanging ideas and fun with people her own age. She is a firm believer that an all women's campus offers greater freedom and fewer inhibitions to beginning college students.

Beth says that the Imaginative Writing class has contributed greatly to her satisfaction in writing and pleasure in good literature.

LIL for this week has many plans for the summer: volunteer work with exceptional children, part-time employment and her own little school under beautiful trees for smaller brothers and sisters. She can hardly wait to introduce them to creative art experiences. Seven weeks at El Sereno Kindergarten helping Spanish speaking tots with their numbers, stories, games and songs gave LIL confidence and confirmed her desire to be an elementary teacher. Can you name LIL? If so, contact Linda at 272-8791, extension 13. The first one to give the correct answer wins a prize. This is the last WHO'S LIL for the term.

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person alluded to in this column. A person may not guess herself.

All materials for the *Doheny Happenings* should be submitted to Dr. Petrik's office (Chalon Campus). Deadline for material is WEDNESDAY, preceding date of issue. Dateline is every Monday. Please call or write Linda at 272-8791, extension 13.

WHO'S LIL (Living is Learning) CONTEST

No one was able to guess our LIL for last week, Carmen Urtecho. Carmen, the oldest of eight children, derives great happiness from the fact that she is godmother for her tiny baby sister. She is a baseball and football fan, especially partial to her brothers' teams. The opportunity of working with small children in the pre-school at Doheny, a visit to the Montessori school in Santa Monica, attendance at a demonstration of educational materials at Century Plaza, and the dedication of teachers to their students convince Carmen that there is a rewarding future in the education of the very young and she wants to be a part of it.

As you know, this ends the WHO'S LIL CONTEST for this term, however, it will be replaced by the LAURELS! Who are Laurels? What are the Laurels? Watch this column for further details.

PRE-REGISTRATION FOR 1973-1974

Each student returning to Doheny in the Fall should make an appointment with her advisor some time during the week of May 7-11 to plan her program for next year. Advisors will remain the same, unless a student is changing into another specialization, such as nursing. In that case, she can see Janet for the name of her new advisor. Appointments may be made through Janet in Building #7. Students should bring the Interterm Bulletin and the 1973-1974 class schedule to the advisement appointment; Bulletins are available in the Bookstore for students who did not receive them at the Convocation.

Students planning to transfer to the Chalon campus, to enroll in another institution, or to withdraw from college should also see their advisors as soon as possible.

(1973-1974 CLASS SCHEDULES ARE ATTACHED.)

LAUREL DAY--A DOHENY TRADITION

On June 2, at 7:30 p.m. in the Pompeian Room, honors and awards will be given for academic achievements, and for service given in the co-curricular programs both on and off campus. All students, faculty, staff, parents, relatives, and friends are invited to attend.

The award recipients are chosen in various ways. The highest honor that can be conferred on an Associate in Arts graduate is the "*Estelle Doheny Award*" given to that student who, in a special way, personifies the characteristics of Christian graciousness and concern, and who shows great potential for an especially significant contribution to her time. The faculty and staff vote for this girl by secret ballot, and the name is not disclosed until the actual moment of presentation.

Other academic awards are presented to those sophomores who have achieved excellence in a given field of study. These are departmental awards determined by the instructors.

The choice of those students who have given service to at least three of the on-campus activities or committees for Doheny during the year is made by vote of the student body. These awards consist of the "*Laurel Wreath*," "*Laurel Circle*," and "*Laurel Girl*." This is the procedure:

LAUREL WREATH--chosen from total enrollment list of A.A. students by the student officers and the director of student activities on the basis of the girl having hosted at one Open House or an equivalent occasion, having actively participated in preparation of an on-campus event, and having served on some committee, staff, or group representing Doheny Campus interests. This list is published in the *Doheny Happenings* (watch for it next week!), and the student body votes for a given number out of those listed to constitute "*Laurel Circle*."

LAUREL CIRCLE--these are a select number of students chosen by student vote as having shown outstanding involvement in the Doheny Campus student activities, both by assisting in preparation and planning of events, and by attending the various functions. The Director of the A.A. program may, for exceptional reasons, add a few names to this '*Circle*.'

LAUREL GIRL FOR 1973--this girl is determined by having received the highest number of votes among the girls elected to the "*Laurel Circle*," and as in the case of all other awards and honors, her name is a secret until the moment of receiving the honor.

ALTERNATIVE TO STUDENT GOVERNMENT PROPOSAL

The Committee for the Consideration of Alternatives to Student Government (CCASG) met on Thursday, May 10 to prepare for the presentation of the finalized form of the alternative proposal on Friday, May 11.

A copy of the completed proposal was given to each staff, faculty, and student member present at the Friday meeting, and the proposal was then explained by the various members of the Committee.

Voting regarding the proposal may be done at the times posted on the schedule board outside Carondelet Center. We encourage a large voter turnout, as the acceptance or rejection of this proposal will have a prominent place in the future of student activities in all phases on this campus.

Additional copies of the proposal are available on the table by the radio in the Center.

The Committee will have a final meeting on May 17, at which time they will conclude their business, prepare their report, and dissolve the Committee.

CINCO DE MAYO RECEIVES APPLAUSE

From the tiny boy who cried every time he couldn't stay on the dance floor, to the two older women who practiced off the dance floor first--there was a fiesta and family spirit at the highly successful "Cinco de Mayo!" Congratulations to Martha and Jessie! And "thank you" those who assisted in anyway!

There was a beautiful Mass preceding the festivities, and as the crowd sat watching afterwards, the dancing group of lovely and graceful girls from Gardena High School plus our own Martha Montano performed the traditional Mexican dances and the Mariachi Los Tapatios played. At 8:45 p.m. when the food had all been served, and Carondelet Center was cleared, the Unidad 6 Band set up and the dance began.

It was regrettable, however, that the support of the student body was noticeably lacking. There were no more than twelve to fifteen of the Doheny students present; the support of the faculty numbered more than that! Those who came were chiefly family and friends of those few girls who had also done all the preparation for the event, worked all Saturday to get it ready, and then also cleaned up after it was over. How good it would have been if committees would have shared all this, and a large number of students would have given the chairmen the morale booster of attendance.

The estimated expenses were approximately: \$660

"Unidad 6" band	- \$250
Mariachi	- 200
Food and cokes	- 140
Security guards	- 44
Decorations, etc.	- 20
Stipend for Mass	- 10

TOTAL \$666

The amount we received from tickets sold: \$276

2. Invitation-- You and your friends are invited to "Fee First," a "medical musical" by Dr. Matt Doran of the Mount music faculty. If you'd like to spend an enjoyable evening, plan to attend "Fee First" in Doheny Lecture Hall on Thursday, May 24, at 8:30 p.m.
3. Final Meeting--The last meeting of the "Committee for the Consideration of alternatives to Student Government" met subsequent to this dateline. The committee, therefore will issue a report to the student body in the next issue of Doheny Happenings.

VOTER TURNOUT VERY REPRESENTATIVE

Sister Rose Agnes wishes to express appreciation to all those who took the time to read over the candidates, and then cast their votes in the places assigned for the "Laurel" honors. Over half of the student body voted, making the distribution of votes very representative of student choice.

The results? That's part of what "Laurel Day" is all about!

CONGRATULATIONS TO OUR FORMER STUDENTS

Joanna Carroll, Doheny graduate in 1972, has been initiated into Delta Epsilon Sigma, the National Catholic Honor Society, and she also has been elected Christian Activities Chairman for 1973-74 at the Chalon campus. Joanna received the Estelle Doheny Award at Laurel Day last year.

Marie Elena Frances, another Doheny student now at Chalon was initiated into Pi Delta Phi, the National French Honor Society.

CLARIFICATION

There have been some inquiries as to the source and meaning of the poster which was up in Building #4. There is indeed a "Graduation Ball", but the information which was lacking is that it is sponsored by the Chalon Campus for all students of Mount St. Mary's College.

It will be held at the "Miramar Hotel" in Santa Monica, it is formal, and will be a dinner and dance. The bids are \$15.00 and may be obtained by request from Chalon through any of our student body officers.

A new poster will be up next week.

All materials for the Doheny Happenings should be submitted to Janet Hamada in Building 7 (Doheny Campus). Deadline for material is WEDNESDAY, preceding date of issue. Dateline is every Monday.

AN INVITATION

You and your family and friends are cordially invited to join the faculty and staff on the evening of June 2, 1973 at 7:30 p.m. in the Pompeian Room of the Doheny Mansion for the "Laurel Day" ceremonies. The evening primarily honors those graduating from the A.A. program.

In addition to honors and awards in the various academic fields, and in the areas of service both on and off campus, two very special honors are conferred: the Estelle Doheny Award and Laurel Girl of 1973.

The Estelle Doheny Award is given to the graduating Sophomore who, in the opinion of the faculty and staff, has exemplified in a special way Christian concern and graciousness, and who shows potential for an especially significant contribution to her time. She will receive an individual trophy and her name will be inscribed on the "Estelle Doheny Award" plaque.

The "Laurel Girl of 1973" is that girl whose outstanding involvement and contribution of time and effort to the co-curricular program on campus, has merited this title by student vote. She will receive an individual plaque and her name will be inscribed on the "Laurel Girl" perpetual plaque.

At this time, the graduates also receive formal welcome into the Alumnae Association. After the ceremonies, the student and their guests will join faculty and staff on the South porch for refreshments.

All materials for the Doheny Happenings should be submitted to Janet Hamada in Building 7 (Doheny Campus). Deadline for material is WEDNESDAY, preceding date of issue. Dateline is every Monday.

### LAST DAY FOR AN INFORMAL GET-TOGETHER

Sophomores, let's get together like we've always wanted to! When all the finals are over and before you take your long last look at Doheny Campus, come over to Carondelet Center to share coke and pizza and some other goodies as well as music, memories of the past and goals for your future.

The yearbooks will be on sale in the Library, so we can bring them to be signed, and also bring cameras for silly shots. This includes faculty, staff and all other students, too. The more the merrier!

You may drop in anytime between 10:30 a.m. and 2:00 p.m., Friday, June 8th, to heat up a pizza and pull up a chair! See you around!
